HOW TO REGISTER

You can REGISTER ONLINE!

<http://richland.starinc.org>

If you are unable to register online, please contact your site director to obtain a registration form. Please note, NO PHONE CALLS will be made to let you know you are enrolled, unless classes are canceled or full.

Nova Meeting Place: Blue Lunch Tables

GETTING TO YOUR STAR NOVA CLASS

Kindergarten

Students will be picked-up from their class.

1st - 5th Grade

Students will meet at the lunch tables.

AFTER YOUR STAR NOVA CLASS

Students will need to be picked up at the blue lunch tables.

K-1st grade students who are not in an after school childcare program **MUST** be checked out by a parent, legal guardian, or person authorized by their parent. If you are late to pick up your child from their NOVA class, you may be charged a late fee of \$1 per minute. Star allows a five-minute grace period. After 5 minutes, STAR will charge \$6, then \$1 more each additional minute. Late fees must be paid upon arrival with credit card or check. No cash accepted.

2nd-5th grade students will be released to the yard. Please be on time to pick up your child because STAR is not responsible for your child before and after class.

REGISTRATION FEE

A \$15 fee is required for each student PER SESSION to cover insurance and registration costs. This fee is non-refundable and is not applicable toward the cost of the classes.

Students CURRENTLY enrolled in the STAR Galaxy Program DO NOT pay the \$15 registration fee.

ABSENCES

Please contact your STAR Director if your child will be absent.

If your child is absent from school, it is school policy that he/she cannot attend STAR NOVA that day.

If your child must be released early from his/her NOVA class, please contact your STAR Director in advance in writing and detail which authorized guardian will pick up your child, and the day, date, and time your child must leave.

REFUND POLICY

1. No refunds of any kind will be given after the first week of attendance.
2. We reserve the right to cancel any class due to insufficient enrollment. Should such an event occur your money will be credited.
3. Tuition will not be refunded if your child misses a class, quits, or is asked to leave due to disruptive behavior.

BEHAVIOR POLICY

STAR NOVA reserves the right to dismiss students whose behavior proves disruptive to other participants. In such cases a consultation will be held with all relevant parties before any action is taken. No refund will be offered in such cases.

SCHOLARSHIPS

Scholarships are available on a sliding scale basis. **Scholarship paperwork MUST be submitted by 3/20/19.** Please see your STAR NOVA director to inquire for more information.

If you have any questions, or for information about school closures and minimum days contact your STAR NOVA Director, Lisa Young, at 310 678-5107 and richland@starinc.org

ART: CLAY STUDIO

We have a plethora of brand-new clay sculpture lessons for new and returning students in one of our most popular classes! This hands-on (and we mean HANDS-ON) class will have students pressing, rolling, pinching, and carving clay into works of wonder. Beginning with a ball of clay, students create adorable animals, fantastic creatures, tiny trinkets, and more! And once the sculptures are dry we'll learn painting techniques to liven-up our masterpieces. Go ahead and get your hands messy!

Day: Wednesday

Time: 3:00 PM - 4:00 PM (TK-2)

4:00 PM - 5:00 PM (3-6)

Fee: \$176

Date: 3/27/2019 - 5/22/2019

No Class: 4/17/2019

TECHNOLOGY: COMPUTATIONAL THINKING WITH SCRATCH JR.

You're never too young to code, with Scratch, Jr.! In this coding class, specifically designed for Pre-K to 1st grade, students begin learning how to think computationally through hands-on activities and MIT's Scratch Jr. visual programming language. An equal balance of offline activities and screen time, students engage in computational thinking by learning how to break down complex problems into smaller parts, recognize patterns within their environment, and create algorithms to define solutions to accomplish their goals. Students will make their own animations and games in Scratch Jr.'s easy to grasp interface and express their creative voice through their very own code. You'll be amazed by just what your students can accomplish, with Scratch, Jr.!

Day: Wednesday

Time: 3:00 PM - 4:00 PM (TK-2)

Fee: \$184

Date: 3/27/2019 - 5/22/2019

No Class: 4/17/2019

TECHNOLOGY: GAME DEVELOPMENT PLUS

Coding is all fun and games when you're in STAR's game development class! With micro:bit, the coolest computer that fits in the palm of your hand, programming classic games like Tetris, Frogger and Pong are a cinch! We'll use the MakeCode block coding editor to program each game step-by-step. Once you pick up all the coding concepts - loops, arrays, if-else statements - you'll be a game developer in no time! Press start to sign up today!

Day: Wednesday

Time: 4:00 PM - 5:00 PM (3-5)

Fee: \$184

Date: 3/27/2019 - 5/22/2019

Preservation Through Education!

STAR Eco Station's is Celebrating Children's Earth Day on April 7th, 2019!

STAR Kids perform for 30,000 people at STAR Eco Station's Children's Earth Day!

Join the Eco Station for a boisterous day of ecological entertainment! We are celebrating our 19th Children's Earth Day, the Eco Station's special observance of Earth Day! Globally, Earth Day is the largest environmental movement. Over one billion people worldwide take part in learning about the Earth, and pledge to take part in conservation. Here at the Eco Station we have a special spin on Earth Day, where we try to include as much fun as possible! The Station's mission is "Preservation Through Education" and what better way to learn than by playing? At Earth Day we will celebrate the wonders of the natural world, while taking a closer look at what each of us can do in order to preserve this sensational place we call home. Festivities include carnival

games, rides, and exceptional eco vendors. In addition, our Star kids will be performing on stage, live, just for us! When you've had your fill of unique entertainment and shopping, the best part of the Station will be available- guided tours of the Station, where you and your little ones can get cozy with our creepy crawlies, and get familiar with our feathered friends. Among our highlighted animal friends will be Lulu, our mischievous and marvelous bobcat, as well as Dragon, our charming and chubby-cheeked red tegu. Food trucks will be on site with vegetarian and vegan options.

5 Ways to Reduce Your Plastic Use!

- 1** • Use Reusable Baggies for lunch and leftovers! No more plastic baggies.
- 2** • Use a reusable Water bottle is the BEST! No more plastic bottles, easy peasy.
- 3** • Take your silverware with you. No more single use forks, knives and spoons.
- 4** • Use Mesh Produce Bag when buying fruits & veggies. No more single use plastic bags.
- 5** • Take your own reusable straw or simply pass on a plastic straw. No more single use plastic straws.
