

*There are things I think everyday,
But may not get a chance to say.
Thanks for all the thoughtful things
You did today.*

*I'm happy that you did your best.
I care about your problems and I
Want to help.*

*I am proud of you for what you are
And what you can become.*

It pleases me when you do what you think is right.

*I'm glad when you show me you know
That anything worth having is worth waiting for.*

*I feel good when I see that you
Respect your body and want to
Take care of it.*

*I expect you to be as good as the
Best young man or woman who ever lived.*

I trust you and of course

I love you.
